October 2017

Iowa Cancer Summit Recap and Slides Are Now Available

The 2017 Iowa Cancer Summit was held in Ankeny, Iowa on October 18 and 19 and brought together professionals and advocates of all varieties to discuss and learn more about how we can work together to reduce the burden of cancer in Iowa.

A Summit recap, including slides from keynote and breakout presentations, as well as videos from live broadcasts of the release of the Iowa Cancer Plan, survivor panel and legislative panel can be found [here](#).

Plus, the 2018-2022 Iowa Cancer Plan is Officially Here!

The 2018-2022 Iowa Cancer Plan was officially released on October 18 at the Iowa Cancer Summit. An online version of the plan is available to view [here](#).

The Iowa Cancer Plan serves as the roadmap for comprehensive cancer control efforts in Iowa for the next five years. It can be used by all Iowans to help find evidence-based interventions, advocacy, data and evaluation of projects, funding and much more.

Thank you to everyone for your work to help make the Iowa Cancer Plan revision possible!

Stay Tuned for More Consortium Updates

More information on concept grants and workgroups will be available in the upcoming weeks, including the action plans developed from the facilitated discussions at the Summit. Keep an eye on your inbox for updates!

The More You Know...Cancer Webinar Series: Ovarian Cancer

Date: November 8, 2017

Time: Noon - 1 p.m. CST

Presenter: Debbie Saslow, American Cancer Society, Senior Director of HPV Related and Women's Cancers

- Understand basic facts about ovarian cancer, including disease burden, risk factors, and symptoms.
- Be able to identify patients who may be at high risk for ovarian cancer. Understand the challenges related to developing an ovarian cancer screening test.
- Become familiar with the findings of the two largest screening trials, and the implications

for screening average risk women.
