## Save the Date: Consortium Summer and Fall Meetings

Rescheduled: 2017 Iowa Health & Social Media Conference

Save the date for the 2017 Iowa Health & Social Media Conference, now rescheduled for Tuesday, August 29 at John Stoddard Cancer Center in Des Moines. The conference will feature smartphone video and livestreaming training.

Registration will be open in early July. In the meantime, questions can be directed to [Amanda Carlson](#).

## 2017 Iowa Cancer Summit

Save the date for the 2017 Iowa Cancer Summit, October 18 and 19, 2017 at the FFA Enrichment Center in Ankeny.

Day one of the Summit will feature a keynote presentation from Dr. Adewale Troutman, a leader in social justice, human rights, community activism, health equity and national and global health. Dr Troutman has had multiple publications including “What if We Were Equal”, co-authored with former Surgeon General and Assistant Secretary of Health, Dr David Satcher, and is featured in the nationally televised PBS series; Unnatural Causes; Is Inequality Making Us Sick? [Learn more](#)

# Ray and the Sunbeatables Sun Safety Curriculum Now Available Online

Ray and the Sunbeatables, a sun safety program for preschoolers, kindergarteners and first grade students is now entirely available online for free. The curriculum helps schools, daycares, and out-of-school programs teach kids to practice sun safety habits. Access teacher resources, lessons, sun safety songs and school posters along with training videos for teachers and caregivers. [Click here for details](#)

## In Brief

### Training, Events and Opportunities

**Who's Leading the Leading Health Indicators? (Webinar):** Learn about progress made toward achieving the Healthy People 2020 Social Determinants Leading Health Indicator. You'll also hear how Diplomas Now is working to increase high school graduation rates by focusing on chronic absenteeism, behavior, and course performance in school. **July 20, 2017 12pm** [Click for Details](#)

**Links of Care (Webinar):** Join the NCCRT as they provide an update on the Links of Care pilot project. The *Links of Care* pilots seek to improve colorectal cancer screening and follow up care for uninsured and underinsured patients by strengthening relationships between community health centers and the surrounding medical neighborhood. **July 27, 2017 12pm** [Click for Details](#)

**Human Papillomavirus (HPV) Vaccine Safety Course:** This self-study guide and presentation includes information about vaccine safety systems in the United States; HPV vaccine safety data; and safety monitoring and evaluation for the 9-valent HPV vaccine. CME is available for physicians and nurses. [Click for Details](#)

## Consortium Events and Meetings

**HPV Workgroup Meeting:** 11a.m.-12p.m. July 6. [Click for Details](#)
