INTENDED AUDIENCE

Oncology Nurses, ARNPs, PAs, Social Workers, Physical and Mental Health Therapists.
All providers who interact with people impacted by cancer. Interested Physicians and
Administrators are welcome too.

EDUCATIONAL OBJECTIVES

1. List two things learned about sexual health care in the cancer setting
2. Plan, list and commit to two next steps to implement sexual healthcare in your setting

STATEMENT OF PURPOSE

This activity is designed to improve provider knowledge, competence, and performance
through formal and interactive training on how to address sexual health in the
cancer care setting. Challenges related to communication, diverse populations, and
implementation will be addressed.

CONTACT HOURS

The University of Iowa College of Nursing is an Iowa Board of Nursing approved
provider, Number 1. Full time attendance for this program will award 7.5 contact hours.

Social worker full day attendance meets social work education requirements and will be
awarded 5.3 credit contact hours and a Certificate of Attendance.

Certificates of Attendance will be available for Physical Therapist and Mental Health
Therapist.

THIS IS A FREE PROGRAM. PRE-REGISTRATION IS REQUIRED LUNCH.

*The All of Me Iowa Project and the 2020 Conference hosts continue to monitor the Novel
Coronavirus (COVID-19). The health and safety of attendees and presenters is a top priority.
At this time, we are planning to hold the meeting at Hotel Kirkwood as scheduled.
However, because the situation and public health guidance are changing rapidly,
we are actively planning an alternative online scenario, should it be needed.
One way or another, we look forward to providing a rich meeting and learning experience
related to Sexual Health Care in Oncology on May 8th, 2020.*

We will email all registered attendees in April with updates to the event location.
